§49.062(c), (c-1), (d), (e), (f), (g), Texas Water Code describes the process for petitioning the Board of Directors for designation of a meeting place within the District and to hold meetings within the District. All such petitions should be submitted in writing to the Board of Directors at the following address: Reunion Ranch Water Control and Improvement District, Attn: Secretary of the Board of Directors, c/o Willatt & Flickinger, PLLC, 12912 Hill Country Boulevard, Ste. F-232, Austin, Texas 78738.

§49.062(c), Texas Water Code reads as follows: *“After at least 50 qualified electors are residing in a district, on written request of at least five of those electors, the board shall designate a meeting place and hold meetings within the district. If no suitable meeting place exists inside the district, the board may designate a meeting place outside the district that is located not further than 10 miles from the boundary of the district.*

(c-1) On the failure, after a request is made under Subsection (c), of the board to designate the location of the meeting place within the district or not further than 10 miles from the boundary of the district, five electors may petition the commission to designate a location. If it determines that the meeting place used by the district deprives the residents of a reasonable opportunity to attend district meetings, the commission shall designate a meeting place inside or outside the district which is reasonably available to the public and require that the meetings be held at such place.

(d) Two or more districts may designate and share offices and meeting places. This section does not apply to special water authorities.

(e) After holding a meeting at a place designated under Subsection (c) or (c-1), the board may hold a hearing on the designation of a different meeting place, including a meeting place outside of the district. The board may hold meetings at the designated meeting place if, at the hearing, the board determines that the new meeting place is beneficial to the district and will not deprive the residents of the district of a reasonable opportunity to attend meetings. The board may not hold meetings at a meeting place outside the district or further than 10 miles from the boundaries of the district if the board receives a petition under Subsection (c-1).

(f) The commission shall make a determination under Subsection (c-1) not later than the 60th day after the date the commission receives the petition.
