

**RESOLUTION APPROVING
VARIANCE FOR USE OF WATER FROM FIRE HYDRANTS**

STATE OF TEXAS §
 §
COUNTY OF HAYS §

REUNION RANCH WATER CONTROL AND IMPROVEMENT DISTRICT

WHEREAS, Reunion Ranch Water Control and Improvement District (the “District”) has requested a variance to continue to use water from fire hydrants to provide irrigation water to the Reunion Ranch HOA; and

WHEREAS, the variance is required when the District is in Stages 3 or 4 of its Drought Contingency Plan and is needed until the District has reclaimed water available to the Reunion Ranch HOA from the District’s 210 irrigation reuse system sufficient to fully replace the use of potable water for irrigation by the Reunion Ranch HOA.

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF REUNION RANCH WATER CONTROL AND IMPROVEMENT DISTRICT THAT:

Section 1. The request for variance by the District for use of water from fire hydrants is hereby approved with the following conditions:

- A. This variance shall be effective when the District is in Stages 3 or 4 of its Drought Contingency Plan.
- B. All water provided from hydrants shall be metered.
- C. This variance is for use of fire hydrants only and does not provide a variance for any other irrigation or watering restrictions and all such restrictions shall apply to the use of the water by the Reunion Ranch HOA.
- D. This variance shall expire when the District has reclaimed water available to the Reunion Ranch HOA from the District’s 210 irrigation reuse system sufficient to fully replace the use of potable water for irrigation by the Reunion Ranch HOA.

ADOPTED this 24th day of April, 2024.
